Re: Proposed development for 341 residential units, crèche and associated site works on lands at Glencairn House, Murphystown Way, Dublin 18

Dear John,

I refer to your request by email on 04th July 2018 for consent to make a planning application in respect of the above mentioned development in so as it affects TII lands associated with LRT.

TII confirms that it hereby consents to you making the planning application for planning permission in respect to lands in its ownership as indicated on the attached document (SCHEMATIC ROAD JUNCTION LAYOUT AT MURPHYSTOWN WAY, DWG. No 170074-9053).

This consent is issued solely to enable you to make this application for planning permission for the above mentioned proposed development; the consent does not preclude nor prejudice Transport Infrastructure Ireland in any form from actively engaging in its role as a statutory consultee under Planning and Development Acts.

Yours sincerely,

pp Peter Walsh
